

# Renegade

Axwell & Ingrosso

Baby, I'm a renegade  
Baby, you're a firestorm  
Move your body close to mine  
We can dance until the dawn  
I can see we're getting late  
The way you, the way you, the way you look tonight  
And I could lose a year of sleep  
The way you, the way you, the way you look tonight

Shoot me straight into my heart  
We don't have to take it slow  
Love me like we're out of time  
Easy come and easy go  
Cut me deep into the bone  
You're my perfect getaway  
I am right where I belong  
We got more than words can say

Baby, I'm a renegade  
Baby, you're a firestorm  
Move your body close to mine  
We can dance until the dawn  
I can see we're getting late  
The way you, the way you, the way you look tonight  
And I could lose a year of sleep  
The way you, the way you, the way you look tonight

The way you, the way you, the way you look tonight  
The way you, the way you, the way you look tonight
