And when the lamb opened the first seal, I saw, I saw the first Horse. The Horseman held a bow Now when the lamb opened the second seal, I saw, I saw the second Horse The Horseman held his sword The leading horse is white The second horse is red The third one is a black, The last one is a green The leading horse is white The second horse is red The third one is a black, The last one is a green And when the lamb opened the third seal, I saw, I saw the third Horse. The Horseman had a balance Now when the lamb opened the fourth seal, I saw the fourth Horse. The Horseman was the Pest The leading horse is white The second horse is red The third one is a black, The last one is a green The leading horse is white The second horse is red The third one is a black, The last one is a green The leading horse is white The second horse is red The third one is a black, The last one is a green The leading horse is white The second horse is red The third one is a black,

The last one is a green...
