

Dead End

Aya

AM yoji no highway
Hikitsuru emi wa meitei
Shiito ni shibaritsukete
Moruhine no you na kisu kisu kisu de

Choushi hazure ni kodou shite
Senkai yume mite zetsubou shite

Wanna die when we come to the end
Can you feel?
Can you feel my soul?

Yoake made suu mairu
Shelby wo unaraseru
Berubetto no shiitsu made
Me wo fusaginagara kakenuketeku

Kowareru kurai kuruwasete
Dead boys wo furu voryuumu de

Wanna die when we come to the end
Can you feel?
Can you feel my soul?

Hikisaite ai sashite
Can you steal? Can you steal my soul?

Wanna die when we come to the end
Can you feel?
Can you feel my soul?

Hikisaite ai sashite
My soul, my soul

Eien wo misete...
Steal my soul, my soul
