

Go Hard

Ayah Marar

You won't look the same in the cold light of day
But that's still a few hours away

No you won't look the same in the cold light of day
But that's still a few hours away

Go hard
This ain't never gonna stop so
Go hard
Don't wanna be the one who's not so
Go hard
This is your one stop shop let down your guard

G-G-G-G-G-G-G-G-G-G-G-G-G-G-G-G-G-G-G-G GO HARD

Do it like you mean it
You gotta do it like you mean it

Go hard
This ain't never gonna stop so
Go hard
Don't wanna be the one who's not so
Go hard
This is your one stop shop let down your guard
