

## As The Crow Flies

Aynsley Lister

As the crow flies baby, well I ain't so far from you  
As the crow flies baby, well I ain't so far from you  
But since I don't have wings, I can't get home as fast as I want to

In a dream last night, where I heard you call my name  
In a dream last night, where I heard you call my name  
Well I took it as an omen and jumped on the very first freight train

Well you don't know baby how I miss your sweet caress  
Well you don't know baby how I miss your sweet caress  
When I'm in your loving arms baby  
You know that's how I'm at my very best
