

# Without You

Aynsley Lister

I'm just sitting here thinking  
I'm thinking of you  
Of what it might be like  
If you were here too  
I wonder what you're doing there  
And if you're keeping alright

And do you think of me  
Do you lay awake at night  
And do you think of me  
We lay awake at night

You know sometimes when I feel  
You know I feel as though  
Though I'm out on my own  
As though I've given so much  
I've got nothing  
I've got nothing to show

You know you're all that's left for me  
To tell my na  
To tell my troubles to

You know I have the same  
Effect upon you  
You know I have the same  
Effect upon you

Look forward to seeing you  
Next time that we  
Next time that we meet

You know it may be a couple of months  
You know it may be, it may be a couple of weeks  
Now I hope you don't mind,  
I hope you don't mind me  
Talking about you

Are you thinking of me  
I'm thinking of you  
Are you thinking of me  
I'm thinking of you

Oh  
Are you thinking of me  
I'm thinking of you  
Are you thinking of me  
I'm thinking of you
