

Better Days

Ayo

People are telling me
To stay away from you
But I can't help myself
Just don't know what to do
Even our kids they say
You won't change anyway
But I can't help myself
I just can't help myself

People are telling me
To keep away from you
But they would never understand
how much I feel for you
Even our kids they say
You want change anyway
But I can't help myself still believing

Better days , better days,
better days, better days
People are telling me
To stay away from you
But I can't help myself
Just don't know what to do
Even our kids they say
You won't change anyway
But I can't help myself
I just can't help myself

People are telling me
To keep away from you
But they will never understand
how much I feel for you
Even our kids they say
You want change anyway
But I can't help myself still believing

Better days , better days,
better days, better days
