

# I Need You

Ayo

Right when we met for the first time  
I felt like I've known you all of my life  
Something felt weird, so strange and queer  
And yet everything you said so sincere  
I didn't know why I felt that way  
It must have been kismet, I've found my soulmate  
Like Adam and Eve we're meant to be  
Together forever inseparably

I need you  
Like my favorite sweater  
I need you, yeah  
You make me feel better  
I need you  
Like the sunny weather, yeah  
Oh I need you  
More than ever

Over and over I've said to myself  
I can't give away what's somebody else's  
This cannot be, it must stay a dream  
As much as I'd love to have you for me  
There will be no secret, no story to tell  
No need to keep it, no going to hell  
As much as I'd love for this to be real  
As much as I want you, as much as I feel

I need you  
Like my favorite sweater  
I need you, yeah  
You make me feel better  
I need you  
Like the sunny weather  
I need you, yeah  
More than ever

A speaker needs sound  
Like a drum needs the beat  
Every king needs a crown  
Like a fish needs the sea  
Religion needs god  
Justice needs truth  
People need love  
We needs me and you

I need you  
Like my favorite sweater  
I need you, yeah  
You make me feel better  
I need you  
Like the sunny weather  
I need you, yeah  
More than ever I need you!
