

# Mother

Ayo

Mother look at yourself  
Are that scars on your body the traces of a spell?  
Just like that finger you cannot move  
What have you gotten yourself into?  
Well it's easy to tell

Mother what are you trying to achieve?  
Always telling lies and hurting me  
You're messing-up your life  
As if that's not enough you're trying to mess up mine

Stay away, stay away, stay away, stay away  
Stay away, stay away, stay away, stay away  
Stay away, stay away, stay away, stay away from me  
You better love me from a distance

Mother the devil came right through your veins  
To settle down in your brain  
All your actions are under his control  
'Cause to him you sold your soul  
Tell me mother how can I ever trust you again?  
Since with you every good meal has a bad aftertaste  
As much as I wanna let you back into my life  
I just can't 'cause I got to protect myself from you

Stay away, stay away, stay away, stay away  
Stay away, stay away, stay away, stay away  
Stay away, stay away, stay away, stay away from me  
You better love me from a distance

I love you and it will always be that way  
That's why it hurts so bad to see you drag down and throwing it  
all away  
As much as I wanna be close to you  
I just can't 'cause seeing you like that is unbearable

Stay away, stay away, stay away, stay away  
Stay away, stay away, stay away, stay away  
Stay away, stay away, stay away, stay away from me  
You better love me from a distance
