In a dusty room on a stormy night
away from all the crowds
I rise above the clouds

Into a world once so bright
where no shadows fall
and a thousand voices call

Dream on forevermore our future's in your hands close your eyes close your eyes and fantasize

Only one boy whose heart is pure can save them from the curse that's upon the universe

He's on a quest for the secret cure across the burning sand to the edge of the fairy-land

This world was built upon human dreams on hopes instead of fears now it slowly disappears

Scream as loud as you can scream for the empress needs a name or nothing will remain
