

## Saved For Someone Else

Az Yet

This was the place of our first date  
It was a place we loved  
That was the place we laughed  
Where we had so much fun  
There was the place I met her  
That's where we fell in love  
And it was the place where she broke my heart  
So how do I tell this story  
Or someone I love so much  
When she lost her feelings for me  
Oh how I miss her touch

Have you ever loved someone so much  
It hurts like hell  
To see the love that she once gave to you  
She gives to someone else  
Have you ever, ever, ever, ever loved  
To find yourself  
To see the love that she gave  
The love you made  
The joys and praise  
She saved for someone else

She was a girl called beautiful  
And I was so proud of she  
How could a girl like her  
Be with someone like me  
There was a time I had her heart  
And oh what a time it was  
But I never thought that time  
Would take my one true love  
So how do I tell this story  
'Bout someone I love so much  
She lost her feelings for me  
Oh how I need her touch
