Rather Unique

Rock the house East New York, East New York To my nigga AZ to the fullest

We was already loyal to people's minds and mulianis Now we more fucked up with a mayor named Guliani You can try to bomb me analyze but can't define me My mind's divine heavily entwined with Ghandi's

Far from feeble, I leave your nostrils hard to breathe through 'Cause my cerebrals are more of a higher plane than the Hebrews Well my mic devotion brings out my deepest emotions Overdosing wannabes posing sending them through convulsions

To hard to follow, you took a bite but couldn't swallow Your mind's boggled but I'm as deep as Donald Goines novels My whole persona's kinda laid back like a recliner And since my mama, I been fucking with marijuana

Wavy-haired, my skin got a money getting glare Strictly menace wear, making off a Guinness beer So where it all begins is here destiny and me finally meet So how can I be weak? I'm rather unique

Why I'm rather unique Why I'm rather unique Why I'm rather unique Why I'm rather unique

Why I'm rather unique Why I'm rather unique Why I'm rather unique Why I'm rather unique

My verbals rip shit brains give birth to thoughts in triplets Fuck it I'm on some flip shit ready to let my clip spit, dramatical Vocals release shells like automatics Do music's magical causing any battle to be tragical

I got styles sick as hell, sicker than sickle cell anemia Slaughter your circulatory like leukemia Filled with larceny, who want parts of me? I'm vicious, mad malicious 'cause it's real on this road to riches

I got this mastered, other rappers'll craft it Weak and wicked camoflauged as killers how they speak and kick it Peep this uniqueness nonbelievers I'm leaving speechless Left to chokers and skunk smoke was coming through the speakers

Surgically nice with any verbal device trife, breathing life into mics My insight's beyond the twilight so die, fight, no surrender, no retreat Techniques speak I'm rather unique Why I'm rather unique Why I'm rather unique Why I'm rather unique Why I'm rather unique

Why I'm rather unique Why I'm rather unique Why I'm rather unique Why I'm rather unique

So it's gonna take more than your astrologist to knowledge this A physiologist couldn't even figure out the exoticness Raps demolishing certified the way I style it My wordplay blaze with the rays of ultra violence

My culture's smiling, getting more in depth with each breath My biography follows the footsteps of Malcolm X Money and sex, Gore-Tex Donna Karan and Guess Finesse, success through the life stress mics I blessed

Puffing trees to get me high as trapeze Flipping Japanese at ease when I'm stacking G's So let's discuss, plus degrees How the rhyme forces the source for thoughts that's lost So don't cross 'cause it'll cost

The ghetto savior, smooth, the real playa with flavor Moves be major with unexplainable behavior The word's on the street so keep your ears to the concrete Why I'm rather unique

Why I'm rather unique Why I'm rather unique Why I'm rather unique Why I'm rather unique

Why I'm rather unique Why I'm rather unique Why I'm rather unique Why I'm rather unique Why I'm rather unique

Why I'm rather unique Why I'm rather unique Why I'm rather unique Why I'm rather unique Why I'm rather unique Why I'm rather unique
