

Kuin Lampaat Teuraalle

Azaghal

Like Lambs To The Slaughter

Weakminded lambs
Kill yourselves
Weakminded lambs
End your suffering

I have stared the beast in to the eyes
I have seen inside his soul and mind
I have seen your age coming to its end
I have seen your power fade, your people die

Torture and blaspheme
Semen in the font
Rape and kill
No mercy is shown tonight

I have seen your mind
I have seen your soul
Worms, cowards
Slaves, followers
Weakminded lambs
Kill yourselves
Weakminded lambs
End your suffering
