

Kuningas Saatana

Azaghal

Moment of judgement
Blink of an eye in eternity
The final prayer
Just a whisper in the wind
Death
Arrives on black cunning wings
Hides the moon
Darks the sun

Population of worms, bow down!
The gates of hell open
Population of worms, tremble!
King Satan will arrive

Beasts from the abyss, dogs of Hell
Legions of Satan
Immortal armies
Total darkness
Everlasting
Crushes faith
Destroys hope
