Nemesis

From the vast emptiness spawn The eternal, chaos born The origin, Satan, god of all The destroyer, the rise and the fall The original The eternal The undying The nemesis Without father Without descent Without beginning Without end I am the vanguished kings of Sodom and Gomorrah I am Longinus, wielding the spear I am the elder ones hiding beyond the stars I am god of the godless, I bear the stigmata scars But don't call me the adversary

For I cannot be defeated Immortal I stand As above, so below

Azaghal
