

## Raatosielu

Azaghal

Your prayers echo into emptiness  
Your feet can't carry you into safety  
The walls of your church won't hold  
Your crosses won't keep you safe

It takes every lamb  
You know that He will arrive  
Drunk from euphoric hate  
Touched by Satan  
Tireless oppressor  
Dead dog from Hell  
Rips apart, lacerates  
Eats you and your sins

Takes you to languish  
Overrun by panic  
Makes your carcass soul scream  
Suffering without hope
