

Intoxicated By Goat Vomit

Azarath

Image of lust
Look into flames
It is Goat master
of thousand names

Forgotten become
all sacred names
Total obedience
to Hell's unholy flames

Air of toxin
Breathe it tonight
Be Satan's servant
and fuck god of light!

Forgotten become
all sacred names
Total obedience
to Hell's unholy flames

Feel his acid breath
so sweet ...
Fall to your knees
and bleed ...
