I'm a give that bitch some knowledge
Understand that your bitch top novice
Just clap your hands

Smell the trees in the breeze, in the breeze
I'm a weed, I'm a weed, I'm a weed
I'm a dance, I'm a Kiki Ki
In fact
Your man's gonna meet, meet me
Little G, Little G, Little G
I'm a hand you a free CD
Take a chance if you see me be
Click clack the engine I rip the fee
Betcha bleed, betcha bleed, betcha bleed
Nigga we, nigga we, nigga we
'Nother reason to be sneaky
Whip up your plan, bout ya checky, checks
I'm a- I'm a-
I'm a- That bitch
