

Miss Camaraderie

Azealia Banks

It's the sound, the hip and hip and now
When I hip you, hip you hound
Get down or get tied up and twound
Let me twist you, twist you pal...
Ya shyer, shitshy how can I get you, get you out?
Let's have a listen in, - Rottweil (er)
Let me hit you... Hit you owwww
A flight, a tryst, - night owl, when I whistle, whistle - howl
Pick up when I get Into town, tell me if you'll

- Be around, to ride with miss camaraderie
A sight to see, a sound, what up-what is you with Rottweil lemme get you...

Ayo hound
Be mild oh listen, lord I mean
I might've seen I swore
I saw ya looking, looking all at me
Admiring Amor-
Be idol in my heart
Oh be inspiring and more...
What kind of wizard?
What-what a dream!
A night a scene a town
A ride with Miss Camaraderie
An odyssey, oh, wow
Say what-what is you with?
Rottweil, I'm a let you
In my house, Politer High Society,
Attire, tea, a style
Look how ya looking looking now!
Let me see you... see you smile
A smiler's sweetest smile
Oh mister, wider! - me oh wow...
Look how ya looking looking now
Let me get you...

It's the sound
The hip and hip and now
When I hip you...
Hip you hound, get down or get tied up and twound...
Who's the hip new, bitch you found?
Politer sis- I'm bout it...
A pistol, pistol pow
Let's have a listen in papa
Let me witch you... Witch you out
I ride I rip I rile at the ritu-ritual
What up what is you with Rottweil
Tell me if you'll
Be around... To ride with miss camaraderie
An odyssey a sound...
What kind of wizard?... What what what what what what...
