

A Game

AZIATIX

Both hands in the air
I'ma live it up, like I don't care
We be poppin' bottles and you're sippin' warm beers
So if you're front linin', drivin', I'm glidin' from the rear
You know I'm rollin', rollin', quick to move, just hold it
I'm controllin', takin' over these grounds, let me get unloaded
Got a hand? You fold it, then I be kickin' it like Owen
Buzzin' and blowin', I'm busy glowin' on top of the ocean flowin'

Be On Your A Game 24/7
That's the only way to roll with me
(Wait A Minute)
And I'll Say it Say it and I'll say it again but you don't seem be hearing m
e
Yeah I'm a player
I be on my A Game
Hey, hey I be on my A Game
Hey, hey I be on my A Game
Hey, hey, and now it's pay day
I be on my A, A, A
Be on my A, A, A
Be on my A, A, A
Be on my A Game, and now it's pay day

Hold up man let me set this straight
Startin' from every single state, to the rest of the world, there's no mista
kes
Look, I'm wide open so just pass me the rock so I can catch this break
Then meditate and demonstrate on gettin' this cake, hey, hey, hey
Reppin' the A, Z to the I, A Game to those who gets in the way
Every track I lace, every move I make: Yoga fire, Yoga flame
Let me find out 'bout a hater tryna' tell me that the color of the skin's go
nna get up in the way
I don't care 'bout what you say, just know I'm here and I'm here to stay, he
