Radio

Radio DJ yells exclusive Guess it's about time for some new hits Sex, money that's that new ish? Did I just get ready for some bull shh? Wanna' brag about your Benzo? How bright your neck glows, When the youth starves with their ends low? Must we kill for a five dollar metro? Can you give us some hope before we let go? Wanna' see us jealous from your riches? Until you're looking both ways all day flinching, But I don't care how rich you are Suicide confirms it doesn't get you far And let us know about your girl's booty, Please don't get moody when she's taken by yours truly, Your sales going well, guess it pays to show We got long ways to go

I'm sick and tired of hearing all the same songs playing on the radio I want to kick you with the real 'ish but they don't seem to hear me though The same five songs spinning all day and all night long? C'mon man So sick of the radio, playing all the same old songs

My brother told me no more jail but needs to hustle for sales Hope all that money doesn't go towards bail Look at the sky while we go towards hell Receiving death when this life's going oh so well I can't front, I want to make millions But if my soul's not trained, I'll be gone with Cornelius Love for my affiliates and teamwork to get doe And over blood Family Matters most, Winslow Clear skies, winds low then out the blue Comes a storm that wishes for me to lose But the sun comes to wish for the better Strength to the point where I condition the weather And til' the fight's finished, I'ma hunger for this game, chicken and beans, let's put some rice in it Races unite and serve a perfect dish to the youth They need an answer with a source we're their living proof

I'm sick and tired of hearing all the same songs playing on the radio I want to kick you with the real 'ish but they don't seem to hear me though The same five songs spinning all day and all night long? C'mon man So sick of the radio, playing all the same old songs

Same five songs on rotation Brainwashing away all of my patience Whitney confirmed all the greats go first I rather go first than to hear your verse Until they decide to put this on the radio We got a long ways to go I said, hundred grand it pays to show To put this on the radio we got a long ways to go

I'm sick and tired of hearing all the same songs playing on the radio I want to kick you with the real 'ish but they don't seem to hear me though The same five songs spinning all day and all night long? C'mon man So Sick of the radio, playing all the same old songs
