

## So Incredible

AZIATIX

She's so incredible  
She's so incredible  
She's so incredible  
She's so incredible

So incredible  
Drop the beat so I can let it flow  
So I can let you know

Theres just so many ways  
She got me so amazed  
Telling everybody I ain't never seen her type before  
Cuz I just can't believe  
What's gotten over me  
Can't understand why I'm trippin'

Is it the way that she kisses me  
Cos I know it gives me butterflies  
Is it the way that she touches me  
Whenever I look into her eyes  
Is it the way that she listens  
Everytime I talk  
She's so excited  
Everytime I call  
Never felt this way and thats how I know

She's the only one that I desire  
She's the only one that lights my fire  
Every time I'm down she takes me higher  
If I only had one word to describe her  
She's so incredible  
She's so incredible  
She's so incredible  
She's so incredible

Her sexy attitude's  
Got me so mesmerized  
The way she puts it down got me so hooked  
I just can't get enough  
Doing things that I don't  
She keeps me on my toes  
The way I feel I just can't explain it

What can I say she's incredible  
In my arms never let her go  
And I feel like king with only one ring  
And she's my only queen that will get the throne  
My only reason to live  
Let me show you my love  
Every day is the season to give  
Fight for our right to love and as we rise above  
We're gonna' leave with a win

She's the only one that I desire  
She's the only one that lights my fire  
Every time I'm down she takes me higher  
If I only had one word to describe her

She's so incredible  
She's so incredible  
She's so incredible  
She's so incredible

I just can't leave her alone  
Got me blowing up her phone  
I'm going out of my way  
To see my girl everyday  
Cos I gotta be with her  
When she's not around I miss her  
No one else can do what she does cos

So official  
All of the probs in my life don't apply  
Girl it's not an issue  
So incredible no need to convince you  
Matter fact there's no kind of word that fits you  
You're in my life so my answer is heaven with an angel  
When I'm asked what I've been through  
If I'm put underneath from the creep, 6 feet deep, leagues in the sea  
I just can't forget you

She's the only one that I desire  
She's the only one that lights my fire  
Every time I'm down she takes me higher  
If I only had one word to describe her  
She's so incredible  
She's so incredible  
She's so incredible  
She's so incredible
