It's called love
And every cruelty will cloud it
And his lie
True love could never allow it
Cause it's a lie that we have ceased to believe
We've said goodbye but it won't take its leave

Why should it take the tears of a woman To see how men are?

Perspective
It's no mystery
What you don't know always gets you
It will hurt you and desert you
So you'd better see
That it's a damage ever done by degrees
And some will take eternity to believe

Why should it take the tears of a woman To see how men are?

Cause love is a giving with no need of return

It lends itself to everything

And maybe one day man will see

That love is a lesson money never taught us to learn

Love is the power to have

Without the premise that there's nothing for free

And sometimes when we're just getting by and getting along It's like we're scared to see that something is wrong

Why should it take the tears of a woman To see how men are?
