

# Oblivious

Aztec Camera

From the mountain tops  
Down to the sunny street  
A different drum is playing a different kind of beat  
It's like a mystery  
That never ends  
I see you crying and I want to kill your friends

I hear your footsteps in the street  
It won't be long before we meet  
It's obvious  
Just count me in and count me out  
And I'll be waiting for the shout  
Oblivious

Met Mo and she's okay  
Said no one really changed  
Got different badges but they wear them just the same  
Down by the ballroom  
I recognized  
That flaming fountain in those kindred caring eyes

I hear your footsteps in the street  
It won't be long before we meet  
It's obvious  
Just count me in and count me out  
And I'll be waiting for the shout  
Oblivious

I hope it haunts me 'til I'm hopeless  
I hope it hits you when you go  
And sometimes on the edge of sleeping  
It rises up to let me know  
It's not so deep, I'm not so slow

They're calling all the shots  
They'll call and say they phoned  
They'll call us lonely when we're really just alone  
And like a funny film  
It's kinda cute  
They've bought the bullets and there's no one left to shoot

I hear your footsteps in the street  
It won't be long before we meet  
It's obvious  
Just count me in and count me out  
And I'll be waiting for the shout  
Oblivious

I hear your footsteps in the street  
It won't be long before we meet  
It's obvious  
Just count me in and count me out  
And I'll be waiting for the shout  
Oblivious
