

Paradise

Aztec Camera

I've been searching
Seems like so long
For perfection
In a world made wrong
Here it's hard to be strong
Seems like we're heading
Down and down and down
But that's love

In my life, a million dreams take over
Paradise, a million miles away

You've been hurting
And I can see
As the world turns 'round and 'round
You spin with me
And when you're down
Don't you know that I'm down too
But up or down
There's nowhere else I'd rather be
Than with you

In my mind, a million lies take over
Paradise, a million miles away

In my life, a million dreams take over
Paradise, a million miles away

But walking down this lonely road
I stop and think of you
And I can see now
'Cos I believe now
Paradise is true
Paradise is you
