

All I Have Are Chains To Offer

Azure Ray

You've got to be out of your goddamn mind
How was that you could spend Year's doing this to me making me
suffer waiting for me to break
But don't have the Courage to face me and tell me you don't love me
What you do best brutal truth
So why stay in your misery if it's not me want
You know I'd walk in a second if it's all true you don't love me
You're right I have no idea who I'm talking to all I know is the
world has seen me at my worst
So now see me at my best
Tell me who to get answers from
Because it's certainly not the courageous man who tried to break me
So tell me who to put the blame on are you ready for this
