

# Love And Permanence

Azure Ray

Oh I wanted love and permanence  
You wanted the night  
When the stars fell to their death

And now I'm in the city  
Where the lights burn so bright  
That I don't have to see them ever again  
But I miss them

I know it breaks their hearts  
Oh, just how far I had to go

From this place I came from  
Darkness illuminated one  
Our eyes missed a terrible love pass away  
Assuring you things

So break my heart  
Oh break my heart  
Oh break my heart  
Oh break my heart again

Oh break my heart  
Oh break my heart  
Oh break my heart  
Oh break my heart again

So that I might see
