

## Blues Man

B.B. King

I've traveled for miles around  
Seems like everybody wanna put me down  
Because I'm a bluesman  
But I'm a good man, understand  
I went down to the bus station  
Look upon the wall  
My money is to light people  
Couldn't go no where at all  
I'm a bluesman  
But I'm a good man, understand  
The burden that I carry, oh is so heavy  
It seems like ain't nobody in this great big world  
That would wanna, wanna help old B.  
Hey, but I'll, I would be all right people  
Just give me a break, good things come  
The those wait, and I've waited a long time  
I'm a bluesman  
But I'm a good man, understand
