

# Christmas Celebration

**B.B. King**

Here's to you baby  
May Christmas bring you happiness  
Oh here's to you baby  
May Christmas bring you happiness  
I want you to have a good time  
Like we did on all the rest

Yeah, Merry Christmas baby, Happy New Year  
Have fun because Christmas don't come but once a year  
Here's to you honey  
May Christmas bring you happiness  
I want you to have a good time  
Like we did on all the rest

All the presents my love, under the Christmas tree  
Remind me of your love that means so much to me  
Here's to you  
May Christmas bring you happiness  
I want you to have a good time baby  
Like we did on all the rest

We'll enjoy ourselves together, Christmas dinners and everythin  
g  
We'll share every little pleasure every Christmas brings  
Here's to you  
May Christmas bring you happiness  
I want you to have a good time  
Like we did on all the rest

I wanna be home with you baby when New Years roll around  
We'll make our resolutions before the sun goes down  
Here's to you honey  
May Christmas bring you happiness  
I want you to have a good time  
Like we did on all the rest
