

Christmas in Heaven

B.B. King

It's Christmas in Heaven
And it's Heaven in you
And my darling, if you leave me
I don't know what I'll do

Yes, it's Heaven at Christmas
And it's Christmas all you through
It's Christmas in Heaven, and baby
It's Heaven here with you

Oh, if you kiss me
I hear angels singing...
And if we dance now
And listen too, and everything, everything seems alright

Oh baby, it's heaven at Christmas
And it's Christmass all you through
Yes, it's Christams in Heaven
And baby, it's Heaven here with you
