

Don't Change On Me

B.B. King

Girl, you're my sunshine
You chase away the raindrops
Make it all worthwhile
Make all the pain stop

Just like a river, you keep love flowing
Don't let our world stop, keep it growing

Oh, I like you just the way you are
Honey, don't change on me
Don't change on me
Please don't change on me

Girl, you're my lucky star
Don't change on me
Don't change on me
(Please)
Don't ever change

I used to wonder where would I find
Some kind of happiness and peace of mind
I was living in darkness, oh, but then you came
Bringing in the sunlight and easing my pain

Oh, I like you just the way you are
Honey, don't change on me
Don't change on me
Please don't change on me

Girl, you're my lucky star
Don't change on me
Don't change on me
(Please)
Don't ever change

If there's a heaven
Then this is my prayer
Lord knows I want to know you
If we ever should meet there

And then forever we'll walk together
Nothing but sunshine and no more stormy weather

Oh, I like you just the way you are
Honey, don't change on me
Don't change on me
Please don't change on me

Girl, you're my lucky star
Don't change on me
Don't change on me
(Please)
Don't ever change
