

I Got To Leave This Woman

B.B. King

I got to leave this woman
But I ain't got nowhere else to go
I got to leave this woman
I ain't got nowhere else to go
You see, she owns everything
Including the carpet on the floor

When I was givin' her my money
She treated me like I was B.B. King
Hey, when I was givin' her my money
She treated me like I was B.B. King
Now I ain't got no money left
Now she treats me
Like I'm not even a human bein'

I got to leave this woman
I can't take this kind of treatment no more
Got to leave this woman
I can't take this kind of treatment no more
I've got one big problem
I ain't got nowhere to go

Hey, all the pretty furniture she got
I even bought her a mink coat too
Yeah, all the furniture she got
I even bought her that mink coat too
Now that we've got a divorce
Tha's waht she put me through

I got to leave this woman
But I ain't got nowhere else to go
I got to leave this woman
Can't take this kind of treatment no more
She owns everything
Even the carpet on the floor
