I Want You So Bad

Have you ever wanted someone And you thought they didn't want you Have you ever, ever wanted someone And you thought they didn't want you You know what you wanted To say to them, people But you were afraid she may walk away

Someone like you, baby Someone like you I ain't never had Oh someone, someone like you Someone like you I ain't never had Maybe I'm asking too much, baby Oh but I want you, I want you so bad

Oh you look so good to me, baby Baby, I just got to let you know Yeah, you look so good So good to me, baby I just got to let you know I wanna keep you forever, baby I don't wanna ever let you go

So whatever you do, baby Please leave me a way To get in touch with you Oh whatever, ever you do, baby Please leave me a way To get in touch with you I need you so bad, baby When you leave I'll be so sad
