

## Let's Do the Boogie

B.B. King

Well, some people love mambo  
And so do I  
The dance is kinda hard  
So I don't think I'll try  
I'll do the boogie  
Yes, I'll do the boogie  
Well, I'll do the boogie  
'Cause I think it's much easier to do

Well, some people swing fast  
Some swing it slow  
It just knocks me out  
To see my baby on the floor  
I love to see her boogie  
Yes, love to see her boogie  
Well, I love to see her boogie  
I think I'll try it a little bit too

Well, I swing her way out  
Then pull her in close  
I'm tellin' you, boys  
That upsets me the most  
I love to see her boogie  
Yes, love to see her boogie  
Well, it knocks me out to see her boogie  
So, I think I'll try it a little bit too
