Let's Straighten It Out

B.B. King

Sit yourself down boy and talk to me
Tell me what's on your mind
Don't keep on telling me every thing's okay
'Cause if it was you wouldn't be crying
You been acting real funny when I see you lately
Sitting around poutin' all day long
Now how in the world you expect me to understand
Oh when I don't even know what's wrong girl

Let's straighten it out
Let's straighten it out
Baby let's straighten it out
Let's straighten it out

For the last few days when I saw you baby
Oh I admit something just wasn't right
It's so many things going through my head
Oh an' I didn't want to start another fight
But if your tired of people being bothered baby
In the world we'd be all alone
Instead of being apart of a problem baby
You and me ought to be getting along, yeah

Straighten it out, let's straighten it out
We need to straighten it out
Let's straighten it out
Me and you, you and me baby, baby
Baby let's straighten it out, out
Let's straighten it out

Straighten it out, let's straighten it out
Let's straighten it out, let's straighten it out baby
Let's straighten it out
I think it's time for you and me to straighten it out
Let's straighten it out
Yeah, yeah, yeah
Let's straighten it out

Now how in the world you expect me to understand
Umm, when I don't even know what's wrong
 Baby, baby, baby

Straighten it out, let's straighten it out
Yeah, yeah
Let's straighten it out
Can we straighten, can you help me babe
Baby, baby, baby
Can you help me sing, sing it baby
Let's straighten it out
Yeah, yeah, oh yeah, yeah
Let's straighten it out
I want to straighten it out with you baby
Come on, come on

Let's straighten it out, oh yeah
Let's straighten it out
Let's straighten it out

Come on, come on, come on
Straighten it out, let's straighten it out
Let's straighten it out, oh yeah
We need to straighten it out
Let's straighten it out
Let's straighten it out
