

Midnight Blues

B.B. King

It's the darkest hour
Of the darkest night
It's a million miles
From the morning light

Can't get no sleep
Don't know what to do
I've got those midnight blues

When the shadows fall
I feel the night closing in
There must be some reason
For this mood I'm getting in

Can't get no sleep
Don't know what to do
I've got those midnight blues

Every evening after sundown
As the light begins to fade
I feel so low, but I just don't know
Why these blues won't go away

Every evening after sundown
As the light begins to fade
I feel so low, but I just don't know
Why these blues won't go away

It's the darkest hour
Of the darkest night
It's a million miles
To the morning light

Can't get no sleep
Don't know what to do
I've got those midnight blues
I've got those midnight blues
I've got those midnight blues
I've got those midnight blues
