

Raining in My Heart

B.B. King

Rainin' in my heart
Since we been apart
I know I was wrong
Baby please come home
You got me cryin'
'Bout to lose my mind
Don't let me cry in vain
Try my love just once again

Honey, I need your love
Darlin', you know why
If you would come back home
There'll be no need for me to cry

Rainin' in my heart
Since we been apart
I know I was wrong
Baby please come home
