

## So Many Days

B.B. King

So many days  
I'd rather steal away and die  
So many days  
I'd rather steal away and die  
I was too blue to live  
And to mean to die

You've been so mean baby  
You've been so mean to me  
Baby, you've been so mean  
You've been so mean to me  
I've got to get even with you woman  
You just hang around and see

Baby you ain't no good  
You ain't no good no how  
Baby you ain't no good  
You ain't no good no how  
Yes, the way I used to love you woman  
Baby that's the way I hate you now

Yes, you can pack your clothes baby  
You can pack your clothes and go  
Pack your clothes, woman  
You can pack your clothes and go  
I want you to know baby  
You ain't no better than the little girl I had before
