

Someday Baby

B.B. King

Don't care when you go
How long you stay
But good kind treatments
Will bring you back someday
But someday baby
I ain't gonna worry my life anymore

Aw, but one thing
Really give me the blues
When I wore a hole
In my last pair of shoes
But someday baby
I ain't gonna worry my life anymore

Just keep on a-bettin'
About the dice don't pass
You're gonna leave here runnin'
Almost too fast
But someday baby
I ain't gonna worry my life anymore

Don't like everybody
In my neighborhood
I got a no-good woman
She don't mean me no good
But someday baby
I ain't gonna worry my life anymore
