

Summer In The City

B.B. King

Hot town, summer in the city
Back of my neck gettin' dirty and gritty
Been down, isn't it a pity
Doesn't seem to be a shadow in the city

All around people lookin' half dead
Walkin' on the sidewalk out of their match head

But at night it's a different world
Go out and find me a girl
Come on, come on, dance all night
Despite the heat it will be alright

And baby, don't you know it's a pity?
The days can be like the nights
In the summer, in the city
In the summer, in the city

Cool town evening in the city
Dressed so fine and lookin' so pretty
Cool cat lookin' for a kitty
Gonna look in every corner of the city

Till I'm like a bus stop
Running up the stairs, gonna meet you on the roof top

But at night it's a different world
Go out and find me a girl
Come on, come on, we'll dance all night
Despite the heat it will be alright

And baby, don't you know it's a pity
The days can be like the nights
In the summer in the city
In the summer in the city

But at night it's a different world
Go out and find me a girl
Come on, come on, we'll dance all night
Despite the heat it will be alright

And baby, don't you know it's a pity
The days can be like the nights
In the summer in the city
In the summer in the city

Hot town, summer in the city

Hot town, summer in the city
