## **Sweet Sixteen**

When I first met you, baby Baby, you were just sweet sixteen When I first met you, baby Baby, you were just sweet sixteen You just left your home then, woman Ah, the sweetest thing I'd ever seen

But you wouldn't do nothing, baby You wouldn't do anything I asked to You wouldn't do nothing for me, baby You wouldn't do anything I asked to You know you ran away from your home, baby And now you wanna run away from old B. too

You know I loved you, baby I loved you before I could call your name You know I loved you, baby Baby I loved you, I love you before I could call your name Well, it seems like everything I do now baby Everything I do is in vain

My brother's in Korea, baby My sister's down in New Orleans Brother's in Korea baby My sister's down in New Orleans You know I'm having so much trouble woman Baby, I wonder, what in the world is gonna happen to me

You know I love you And I'll do anything you tell me to You know I love you And I'll do anything you tell me to Well, there ain't nothing in the world, woman Babe, it ain't nothing Nothing in the world I wouldn't do it for you

You can treat me mean, baby But I'll keep on loving you just the same You can treat me mean baby But I'll keep on loving you just the same But one of these days, baby You're gonna give a lot of money To hear someone call my name

Yes, sweet sixteen baby... sweet sixteen... Yes, the sweetest thing baby The sweetest thing I ever seen You know I'm having so much trouble, woman Baby I wonder Yes I wonder Baby I wonder Oh, I wonder what in the world's gonna happen to me
