

# Teardrops From My Eyes

B.B. King

Come back to me, baby  
I feel so all alone  
It rained last night  
And things ain't right  
Without my baby home

Every time it rains  
I think of you  
And that's the time  
I feel so blue  
When the rain starts falling  
My love comes tumbling down  
And it's raining  
Teardrops from my eyes

If you see clouds  
Here in my eyes  
It's just because  
You said good-bye  
Although the sun is shining  
There's no more summer skies  
'Cause it's raining  
Teardrops from my eyes

Remember the night you told me  
Our love would always be  
I wouldn't be blue and lonely  
If you'd come back to me  
Every single cloud  
Would disappear  
I'd wear a smile  
If you were here  
So baby, won't you hurry  
Because I miss you so  
And it's raining  
Teardrops from my eyes

Remember the night you told me  
Our love would always be  
I wouldn't be blue and lonely  
If you'd come back to me  
Every single cloud  
Would disappear  
I'd wear a smile  
If you were here  
So baby, won't you hurry  
Because I miss you so  
And it's raining  
Teardrops from my eyes
