## That's the Way Love Is

Monday's so good Tuesday's so cruel One day you're so happy now The next day, you're in tears So you take it while you find it Or leave it like it is That's the way it's always been That's the way love is

Wednesday's alright But Thursday's all wrong One day you're all with it, baby The next day it's all gone

So you take it while you find it Or you can leave it like it is That's the way it's always been That's the wa
