

# There Must Be A Better World Somewhere

B.B. King

Sometimes I wonder  
Just what am I fighting for?  
I win some battles  
But I always lose the war  
I keep right on stumblin'  
In this no-man's land out here

But I know  
Mmmmm yes, I know  
There must be a better world somewhere

Flying high  
Some joker clips my wings  
Just because he gets a kick  
Out of doing those kind of things  
I keep on fallin' in space  
Or just hangin' in mid-air

But I know  
Ohh yes, I know  
There has just got to be a better world somewhere

Every woman I want  
Only wants herself  
Everybody I love  
Seems to love somebody else  
And every woman  
Got a license to break my heart  
And every love, oh it's over  
Over before it gets a chance to start

If it ain't dead  
Maybe in the here after  
Instead of tears  
I'll learn all about laughter  
But meanwhile I'm stuck out here

It just ain't fair, but I know  
I said I know  
Oh yes, I know  
There must be a better world somewhere  
There's just gotta be  
Gotta be a better world somewhere
