

## Tired Of Your Jive

B.B. King

You're sittin' there lookin' proud  
Thinkin' you're so fine  
Tryin' to run around  
With every friend of mine

Think you're so smart, baby  
Think that I'm a fool  
Yeah, I'm gonna tell you, baby  
You better play it cool

I'm tired of your jive  
Yeah baby, I'm tired of your jive  
I refuse to be your fool, mama  
Hey, I'm tired of your jive

You think that I don't see  
What you do behind my back  
You think I outta love you, baby  
No matter how you act

You'll never miss your water, baby  
Till the world goes dry  
I'm gonna tell you  
Gonna miss me bye and bye

I'm tired of your jive  
Yeah baby, I'm tired of your jive  
I refuse to be your fool, mama  
Hey, I'm tired of your jive

Sittin' there smilin'  
Like nothing wrong  
I don't intend to pull your coat, baby  
You'll know it when I'm gone

Yeah, you'll never miss your water, baby  
Till the world run dry  
Now I'm gonna tell you  
Gonna miss me, bye and bye

Tired of your jive  
Baby, I'm tired of your jive  
Yes, I'm here to tell you, woman  
Baby, I'm tired of your jive, yeah
