

# I Hustle

B.G.

Hundred grand in my bag steady getting cash  
Catch me on the block in a '07 Jag  
Cause I hustle hustle hustle  
Watch my hustle hustle hustle

Rubber band around my money and my neck full of ice  
If you see me on the block I got it for the right price  
Cause I hustle hustle hustle  
Watch my hustle hustle hustle

However you gotta get it nigga get that dough  
Spit that flow or flip that hoe  
Pimp that hoe or push that dro  
You know the work in the house go kick in that door  
I make that money Gizzle chase that money  
Yeah you know I ball and I flash that money  
All in my sleep I could taste that money  
I go to jail fuck it buy the case with the money  
You got the game up you gon' waste that money  
Business eating in your face that'll show you ya love me  
At the end of the day a gangster don't crush ya  
It's M.O.E. can't knock the hustle

17 a piece please don't get me started  
Or this mother fucking cake gon' act retarded  
In your front yard nigga mow your own lawn  
Now your girl's here baby just hold on  
A certified thug nigga  
To who it may concern look I am not a drug dealer  
I'm just playing  
How much you trying to spend nigga I'm just saying  
In my Aston Martin looking like James Bond  
Swear to God I could get 20 in the Avalon  
Another 30 in the Maxima  
You know you owe a nigga dog so I ain't even asking ya

Whether it's hoes on the strip or bricks on the street  
One thing for sure is a nigga gon' eat  
One thing for sure is a nigga gon' get it  
Show me a sweet hustle B.G. gon' hit it  
Chopper City the business how you think I did it double  
I hustle I struggle I struggle I hustle  
Yeah you ending now a real nigga never stop  
Quit I think not I do it for the block  
I was still hot running shit through the pot  
Now I'm warming up like I want that number one spot  
Wanna learn how to grind sit back and watch

I'm a set the line from the bottom to the top
