Wassup  
C'mon I need a hot girl  
Really ha I need a wifey

You treat me right I'ma treat you right  
You dog me I dog you (Fo' show)

I'm from tha streets  
I've been hot all my life  
So free bitches and hot girls is all I like  
Gotta be raw and jazzy that's my type  
And stand behind me if I'm wrong or right  
Drive at night  
Fight my fight  
Rock that pipe  
I hit the road come back  
It's nice and tight  
I get ya what ya want  
No matter the price  
We get to sit on a Sunday in the Benz or the bike  
Reppin' and stuntin'  
Shinin' and flossin'  
Just ballin'  
You got a problem with anything I solve it  
you need me call me Geezy there  
You could be anywhere girl Geezy there  
Keep it real, I keep it real  
To the bone I swear  
Don't be stingy with that love  
Come on and share  
You gotta open up, you gotta care  
I'ma give ya this love and passion, I swear

Don't you worry 'bout a damn thing baby  
You're my man and I'm gon' be your lady  
I know this biz it'll drive ya crazy  
But I'ma give my love only to you  
I'ma be right by your side  
It's do or die (Only to you)  
I got ya back yeah

I'll be always there for you  
You know that my heart is true  
So boy do what you gotta do  
As long as you bring your love home to me  
Cause you know I give you everything you need

And this is what I guarantee  
Forever me and you baby
