

A Fallen Star

B.J. Thomas

A star fell from Heaven
Right into my arms
A brighter star I know
I've never seen
Then I found out that it was only you
With all your charms
Who came into my life
To fill a dream

A fallen star
Is what you are
The twinkle in your eye
Came from the sky
Oh you must have strayed
From the milky way
A fallen star
That's what you are

A fallen star
Is what you are
The twinkle in your eye
Came from the sky
Oh you must have strayed
From the milky way
A fallen star
That's what you are
