

# Everybody's Out Of Town

B.J. Thomas

Where have the people gone  
Seems like there's no one hangin' on  
Look through the window, the houses  
Are empty, hey, everybody's out of town  
Seems like I'm the only one around

All of the streets are bare  
No traffic tie-ups anywhere  
Don't have to wait for a seat at the movie  
Hey, everybody's out of town  
Seems like, I'm the only one around

Everyone's moved out, from the ghetto  
Lots of space, empty apartments  
No more pollution, plenty of classrooms  
Everyplace and it looks like we're ready

To give it one more try  
This time there'll be no alibi  
I'm gonna send out a message to Noah  
Hey, better send some people down  
Everyone on earth, is out of town
