

Everybody's Out Of Town

B.J. Thomas

Where have the people gone
Seems like there's no one hangin' on
Look through the window, the houses
Are empty, hey, everybody's out of town
Seems like I'm the only one around

All of the streets are bare
No traffic tie-ups anywhere
Don't have to wait for a seat at the movie
Hey, everybody's out of town
Seems like, I'm the only one around

Everyone's moved out, from the ghetto
Lots of space, empty apartments
No more pollution, plenty of classrooms
Everyplace and it looks like we're ready

To give it one more try
This time there'll be no alibi
I'm gonna send out a message to Noah
Hey, better send some people down
Everyone on earth, is out of town
